Tutorial Version: **V1.4**

WEB3 connect to <https://m3mars.io> using your Trust Crypto wallet (or any other wallet) through the Binance Smart Chain (BSC, BEP-20) with the **INVITATION CODE: 5RY7QE**

It is completely free to connect your wallet, you do not need any BNB or crypto, just a wallet.

Device: Mobile Phone, Tablet

Wallet: Metamask or Trust Wallet at <https://trustwallet.com>
(or Metamask at <https://metamask.io> or any other wallet you use)

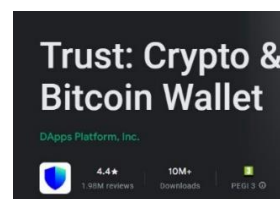

App Download for any device: <https://trustwallet.com/download>

Android Mobile App:

<https://play.google.com/store/apps/details?id=com.wallet.crypto.trustapp>

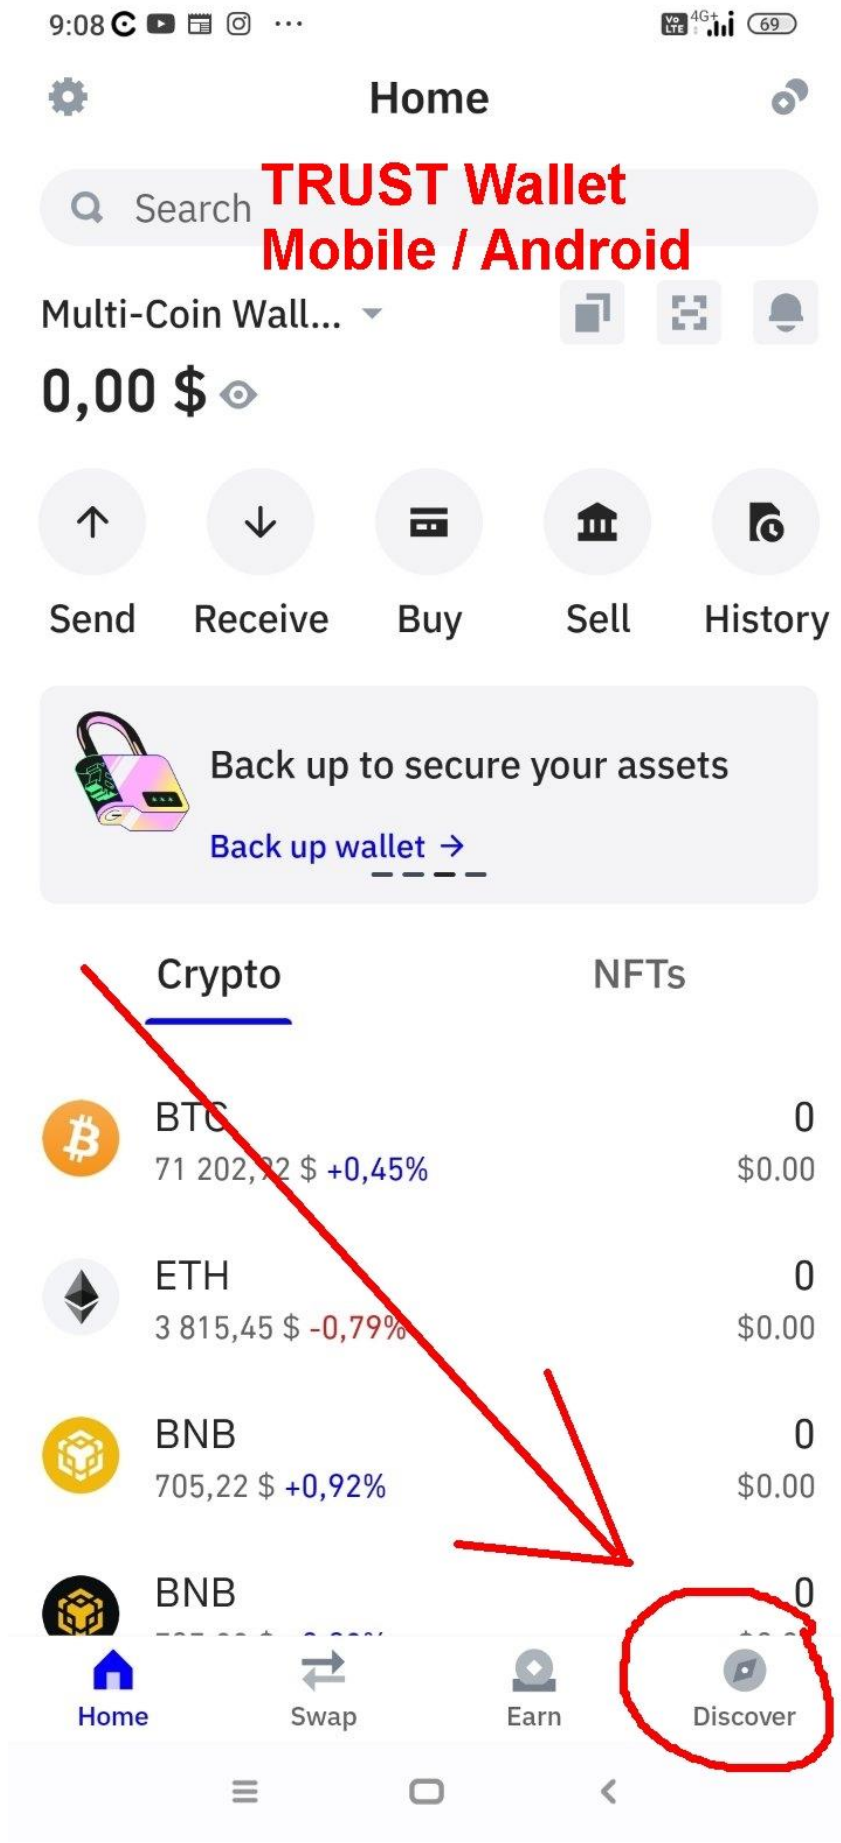

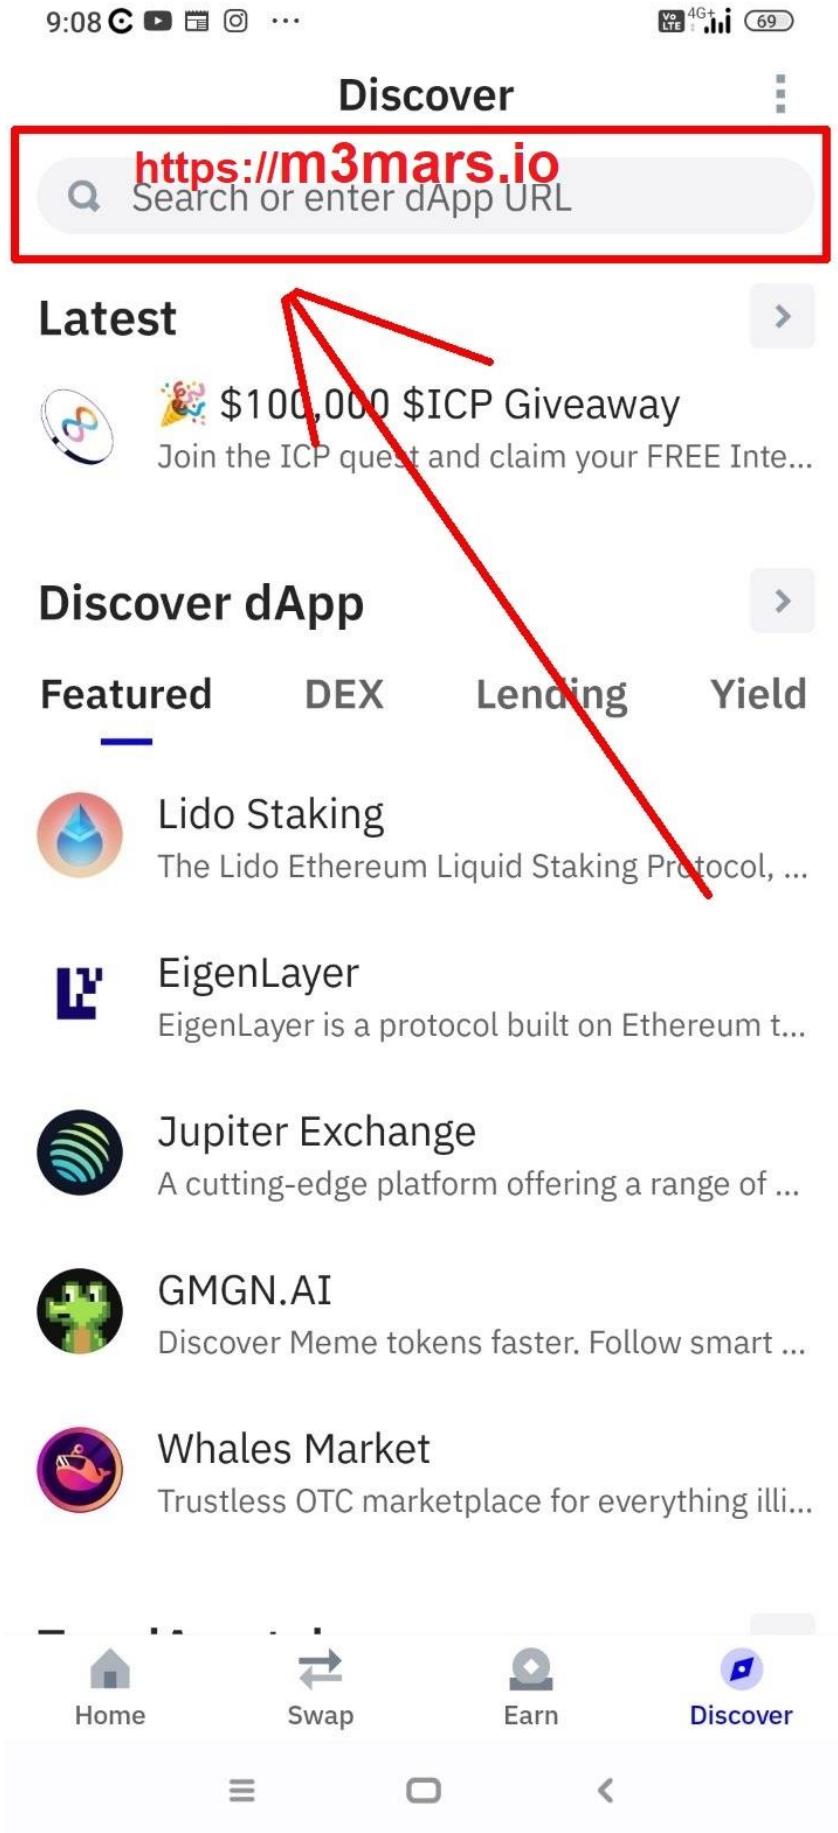

Trust: Crypto &
Bitcoin Wallet
DApps Platform, Inc.

Note: You can even IMPORT your existing Metamask wallet into Trust Wallet though its Private Key, if you wish.

IMPORTANT: the wallet seed words and the private keys are ONLY FOR YOU! Save it for YOURSELF and do not show it to anyone, because: **seed words and private keys = full access to your cryptos!**
